Subject: Request for arranging an informative session on career counseling

Respected Sir,

Swami Vivekananda has said that "Let's put ideas into their heads and they will do the rest. Now this means educating masses". A clean mind is like a clean and organized room and could be the reflection of his or her professional status. Thus, to help the students choose their area of profession, we wish to conduct an informative session and management activities in your esteemed institution.

Zeal Education Society (ZIBACAR) is happy to conduct an informative session on Career Counseling and Management Activities in your esteemed Institution.

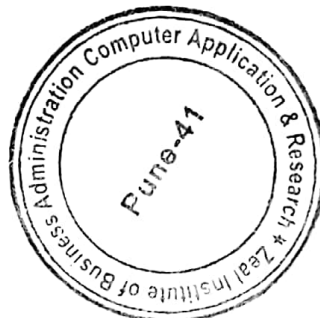

We are confident that the experience of this informative session and management activity will reinforce the pre-existing ideas about career in the minds of the students.

This session will also help the students understand the facilities provided by the government regarding free ships and scholarships.

Our session and management activities may also help you gain a weightage in the NAAC/ NBA accreditation.

A schedule of activities is enclosed with this letter. We look forward for your support and encouragement.

Thanking you in anticipation,

Yours truly,

Dr. Neha Sharma
