One Day Seminar on 'Core Java'

Report

Core Java is a platform independent, more powerful, secure, high performance, multithreaded programming language. Java is one of the programming language or technology used for developing web application. This language developed at SUN Micro system in the year 1995 under the guidance of James Gosling and there team.

So, Shriram Institute of Information Technology, Paniv arranged one day seminar on Core Java on Wednesday 13th September 2023 . College invited to Mr. Rupesh Kulkarni as a resource person. He has guided to the students on various opportunities and importance of Java in IT sector.

This program was anchored by Mr.Vijay Gaikwad and Mr.Farukh Tamboli gave vote of thanks. For this 100 participant attended this seminar.

Guest Lecture

Report

on

Communication Skill (Interview skill)

Date:-24/02/2024

Shriram Institute of Information Technology Paniv conducted a guest lecture on Communication skill (Interview skill) on 24th February At 11.00am under Faculty exchange activity(MOU).

This program is associated with Green Fingers College of Computer and Technology Akluj. The academic education of the collage makes the student technically very sound but the student are unable to think out of box. A quality to think differently and innovatively is what most of company required. Nearly 89 students of BSc (ECS)-I participated in the seminar. The stage was shared by the guest Mr. Anil Londhe Assistant professor of English (GFCCT), who explained the job domains, hiring process, packages that companies offer, and lockdown effects on the placement drives. They also assured the students and advised them to feel free to visit the Placement Cell for any issues or queries like emails, calls for placement, messages, and many more. In the further session, they also explained why placement drives are important for students to attend.

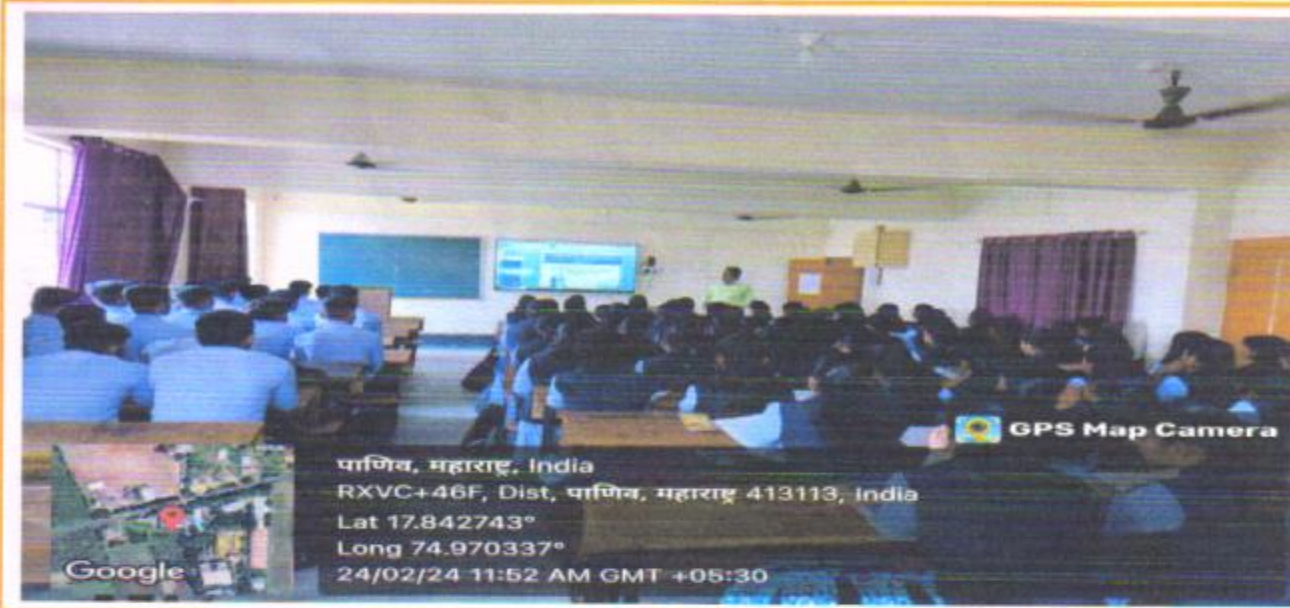

It was a very informative session for all the students as they got to learn the job interview skills like teamwork, professionalism, research, problem-solving, and many others. The Job Interview Skills session was fruitful for the students and will definitely prove to be productive in the future. This program was anchored by Mr. Pawar G.R and Mr. Gaikwad .V.B gave vote of thanks.

**One Day Seminar
on
"Industrial Oriented Project Development"
Report**

Cross-functional product development teams are increasingly being used in contemporary workplaces. In order to prepare upcoming designers to be able to operate successfully in these increasingly compare work setting, the industrial oriented project development is teaming up with industry based projection. The main object for this seminar is student and industry partners will be drawn on to discuss the challenges and opportunities that have from introduction of industry based projects into the final year students.

So keep in mind all the above points Shriram Institute of Information Technology Paniv organized one day seminar on Industrial oriented project development on Saturday 6th Jan 2024. Institute invited to Mr.Balwant Gorad as a speaker. He has guided to students on project development. There were 96 students participated in this seminar.
